Program Articulation Agreement between
The College of Saint Rose
and
Schenectady County Community College

1. Purpose
This agreement between The College of Saint Rose and Schenectady County Community College provides the terms and conditions for students of Schenectady County Community College who have an Associate of Science degree in Performing Arts: Music and seek admission by transfer to the Bachelor of Science degree in Music Industry or Bachelor of Arts degree in Music at The College of Saint Rose. Both parties will use their best efforts to minimize loss of credits and duplication of coursework.

2. Admission
Transfer students from Schenectady County Community College who have completed an Associate of Science degree and who have a cumulative grade point average of 2.5 are generally accepted. The College reserves the right to evaluate transfer student applicants who do not meet the 2.5 criteria on an individual basis.

3. Transfer of Credit
In evaluating the credentials of transfer candidates, the College tries to give maximum credit for college work completed at other institutions. Credit is given for all applicable courses in which a student achieves a grade of C- or above. Credits transfer, but grades do not. A minimum of 122 credits are required for a Bachelor’s degree. A maximum of 62 credits from other institutions will be accepted for transfer and a minimum of 60 credits must be completed at The College of Saint Rose.

4. Scholarships
The College of Saint Rose is committed to enrolling students with superior ability and proven achievement. To support our commitment, we award guaranteed academic transfer scholarships for two years to students who have achieved impressive grade point averages for all previous college work.
