

Steve Hoff, Psy. D., NCSP

Dr. Hoff has been teaching at The College of Saint Rose for six years. Areas of expertise and courses taught include personality development, abnormal psychology and practice and interventions in schools. A former New York City school psychologist and currently practicing psychologist, Dr. Hoff brings a wealth of real life experience to the classroom. He has presented internationally and nationally on the topic of working with self-injurious youth, and has provided training and consultation to numerous schools, agencies and organizations.
