

**Program Articulation Agreement between
Columbia-Greene Community College
and
The College of Saint Rose**

1. Purpose

This agreement between Columbia-Greene Community College and The College of Saint Rose provides the terms and conditions for students of Columbia-Greene Community College who have an Associate of Arts or Science degree in Childhood Education A.A or A.S. and seek admission by transfer to the Bachelor of Science degree in Special Education/Childhood Education (Grades 1-6) at The College of Saint Rose. Both parties will use their best efforts to minimize loss of credits and duplication of coursework.

2. Admission

Transfer students from Columbia-Greene Community College who have completed an Associate of Arts or Science degree and who have a cumulative grade point average of 2.5 are generally accepted. The College reserves the right to evaluate transfer student applicants who do not meet the 2.5 criteria on an individual basis. Students transferring a minimum of 60 credits receive junior status.

3. Transfer of Credit

In evaluating the credentials of transfer candidates, the College tries to give maximum credit for college work completed at other institutions. Credit is given for all applicable courses in which a student achieves a grade of C- or above, with the exception of education courses which require a grade of C+ or above. Credits transfer, but grades do not. A minimum of 122 credits are required for a Bachelor's degree. A maximum of 70 credits from other institutions will be accepted for transfer and a minimum of 32 credits must be completed at The College of Saint Rose.

4. Scholarships

The College of Saint Rose is committed to enrolling students with superior ability and proven achievement. To support our commitment, we award guaranteed academic transfer scholarships for two years to students who have achieved impressive grade point averages for all previous college work.

GPA	Transfer Scholarship
3.81 - 4.00	\$14,500/year
3.50 - 3.80	\$14,000/year
3.21 - 3.49	\$9,500/year
3.00 - 3.20	\$9,000/year
2.99 and below	\$8,500/year

In addition, The College of Saint Rose offers a \$1,000 a year Phi Theta Kappa Scholarship for transfer students who are members of this honor society. Scholarship amounts are subject to change.

5. Terms of Agreement

This agreement becomes effective on the date of signature by the representatives of the institutions contained within the agreement. The terms of this agreement may be modified or terminated at any time upon mutual consent of both institutions with appropriate notification. In the event it is decided to modify this agreement, commitments made to individual students already in the program will continue in effect in the terms applicable at the time the student enrolled in the program.

Notes for Columbia-Greene Community College - The College of Saint Rose Sp Ed/Child Ed Agreement:

- 1) EN 101 Composition at Columbia-Greene CC will fulfill the L01 liberal education requirement in expository writing, oral communication and research at The College of Saint Rose.
- 2) 70 is the maximum number of credits allowed for transfer into The College of Saint Rose. All possible electives are listed in this agreement and the student, along with his/her advisor, should select the most appropriate courses to complete his/her degree while not unnecessarily exceeding the number of credits required for the A.S. degree. Students are encouraged to use their credits in *Electives* at Columbia-Greene CC to fulfill liberal education requirements at Saint Rose.
- 3) Science courses with laboratory completed for the Concentration will also fulfill the L09 liberal education requirement for science.

- 4) 2 credits of physical education are required for the bachelor's degree and a maximum of 4 credits is allowed for transfer.
- 5) A letter grade of C- or higher in each course is required for transfer into The College of Saint Rose, with the exception of education courses which all require a grade of C+ or higher. Any completed coursework with a grade lower than a C- will not be transferred.
- 6) This document is valid until the time which either party changes their respective program. At which point review/revision will be required.
- 7) The College of Saint Rose Transfer Equivalency Database and/or Catalog should be consulted to ensure that selected coursework will fulfill the appropriate liberal education requirements as designed by the "L0" next to the course credits.
- 8) The Transfer Equivalency Database is the most current tool to utilize when determining the transferability of credits into The College of Saint Rose. The Transfer Equivalency Database can be accessed by visiting the link below:
