To whom it may concern:

This is to inform you that The College of Saint Rose has authorized the National Student Clearinghouse to provide enrollment verification certificates for its students through its web-based Student Self-Service program. As of January 1, 2018, The College of Saint Rose will no longer provide student enrollment verifications directly or process enrollment certification request forms when those records are available through the Clearinghouse.

Student Self-Service enables The College of Saint Rose students to print official enrollment verification certificates on demand via our secure student portal, Ellucian-Banner Secure Site, at no charge. Lenders not using online access to the Clearinghouse should also accept this certificate to verify enrollment.

If you have any questions, please contact the Clearinghouse at: service@studentclearinghouse.org or call 703-742-4200. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Craig Tynan".
