The College of Saint Rose community engages highly motivated undergraduate and graduate students in rigorous educational experiences. In the progressive tradition of the founding Sisters of St. Joseph of Carondelet, we welcome men and women from all religious and cultural backgrounds. In addition to developing their intellectual capacities, students have the opportunity to cultivate their creative and spiritual gifts in a diverse learning community that fosters integrity, interdependence, and mutual respect.

The College delivers distinctive and comprehensive liberal arts and professional programs that inspire our graduates to be productive adults, critical thinkers, and motivated, caring citizens. Our engagement with the urban environment expands the setting for educational opportunities and encourages the Saint Rose community’s energetic involvement and effective leadership in society.

Approved by the Board of Trustees, May 2005.

The College of Saint Rose and its Career Center possess sole discretion when establishing recruiting relationships aimed at its students and alumni. This includes posting job and/or internship vacancies on our website, participating in on-campus recruitment activities and/or other events hosted by the Career Center, and attendance at site visits.

We welcome the opportunity to assist you in recruiting students and alumni for available job and internship opportunities at your organization.

CONNECT YOUR ORGANIZATION WITH THE BEST AND BRIGHTEST

POSTING JOBS AND INTERNSHIPS
Your organization and available positions will be listed on our secure web-based management system, HireStRose, which is available to all Saint Rose students and alumni. Employers are encouraged to register, view, and post job and internship* opportunities.

These services are all free of charge, but priceless to the networking of your organization.

*Academic internships will be posted but students will need approval from their academic department to receive credit.

ON-CAMPUS INTERVIEWS
We provide space in the Career Center for employers to interview students and alumni. Our staff will coordinate and promote one-on-one or group interviews in a private setting, tailored to your schedule. Employers may choose to pre-screen resumes before deciding to interview a candidate, in which case a Resume Collection and submission deadlines must be set well in advance of the interview date. An “open” format is available where any interested candidate will be considered and interviewed.

ADVERTISING/MARKETING
Our office provides an advertising campaign to let students know about your presence on campus. This includes ads in the weekly student-run newspaper (The Chronicle), ads posted on several television screens around campus, calendar announcements, postings on our website and eCareerCenter, flyers, targeted emails, and via social media.

SITE VISITS
The Career Center staff will arrange a time to come to your facility at your convenience to discuss recruiting options. Or, you are welcome to visit us here at the Career Center.

TAKE ADVANTAGE OF THE MANY SERVICES WE OFFER

INFORMATION TABLES
Every Fall and Spring semester we invite one employer per day to host an Employer Information Table in the campus Events and Athletics Center (EAC) to speak with students about their organization and opportunities (full-time and/or part-time jobs, internships, and volunteer work).

INFORMATION SESSIONS
Introduce your organization and available positions to our students and alumni in a more formal presentation. Technology is available for media presentations held in the Career Center Resource Room.

RESUME COLLECTION
We will advertise your available position(s) and collect resumes from interested students and alumni for your review. Deadline dates are decided between the employer and Career Center staff. Employers can choose to arrange interviews directly with candidates at their office or we can help facilitate on-campus interviews.
