##### **Notes for Fulton-Montgomery Community College - The College of Saint Rose Agreement:**

- 1) ENG 103 English I (3) AND ENG 104 English II (3) combined will transfer as ENG 105 Expository Writing, Oral Communication and Research (4) and GEL 001 General Elective (2) to fulfill the L01 requirement at The College of Saint Rose.
- 2) 70 is the maximum number of credits allowed for transfer into The College of Saint Rose. All possible electives are listed in this agreement and the student, along with his/her advisor, should select the most appropriate courses to complete his/her degree while not unnecessarily exceeding the number of credits required for the A.A. degree at Fulton-Montgomery Community College. Students are encouraged to use their credits in *Electives* at Fulton-Montgomery Community College to fulfill liberal education requirements at Saint Rose.
- 3) To fulfill the L08 liberal education requirement in Computer Science, the student must complete a course at the level of programming.
- 4) To fulfill the science requirement, the science courses must include a lab.
- 5) 2 credits of physical education are required for the Bachelor's degree and a maximum of 4 credits is allowed for transfer..
- 6) A letter grade of C- or higher in each course is required for transfer into The College of Saint Rose. Any completed coursework with a grade lower than a C- will not be transferred.
- 7) This document is valid until the time which either party changes their respective program. At which point review/revision will be required.
- 8) The College of Saint Rose does not accept independent studies or internships for transfer.
- 9) The College of Saint Rose Transfer Equivalency Database and/or Catalog should be consulted to ensure that selected coursework will fulfill the appropriate Liberal Education Requirements as designated by the "L0" next to the course credits.

\*The Transfer Equivalency Database is the most current tool to utilize when determining the transferability of credits into The College of Saint Rose. The Transfer Equivalency Database can be accessed by visiting the link below:

**NOTES**

\*Both semester of Foreign Language should be in the same language. You should spend one year on foreign language and one year on math coursework

\*\*Work with FMCC advisor to select these courses at the best times, as EDU 280 is not offered every semester

*Summer coursework may be completed (by advisement) to lighten individual semester course loads.*
