

TRANSFER STUDENT CHECKLIST

Congratulations! You were accepted to Saint Rose. We know you have a lot to do between now and orientation day. That's why we developed this checklist, to help move you through the process and keep you on track. Plus, you get to check things off a list (and who doesn't like to do that?). At the end of this checklist, you will have started the journey toward some of the best years of your life at Saint Rose! Are you ready to get started? We know we're ready for you!

☐

1. OPEN YOUR ACCEPTANCE LETTER

At this point and time, we are sending all acceptance letters via email. This email will contain helpful information about next steps and institutional scholarships. Please read this email carefully and reach out if you have any questions!

☐

2. RECEIVE A CREDIT EVALUATION

If you haven't yet, send us your transcripts at admit@strose.edu, and we will evaluate your previously earned credits. Then, we will send you an email with your credit evaluation and instructions on how to access Degree Works if you provided us with an official transcript.

☐

3. GAIN ACCESS TO DEGREE WORKS

This tool will allow you to plan your degree completion. You will gain access 24 hours after you have received your credit evaluation if you provided us with an official transcript.

☐

4. FILE THE FAFSA WITH US

If you haven't already, please add The College of Saint Rose to your FAFSA form using our school code: **002705**. And, if you are a New York State resident, file the express TAP application using our code: 0140. Instead of snail mail, you will receive an email with steps on how to view your financial aid award and calculate your cost of attendance. **File at fafsa.gov!**

☐

5. SCHEDULE A FACULTY MEETING (OPTIONAL)

If you are interested in speaking with a faculty member about your major or course requirements or anything at all, send us an email at transfer@strose.edu and we would be happy to facilitate that for you!

☐

6. VIRTUALLY VISIT

There are so many virtual visit opportunities for accepted students! You can speak with other accepted students, hear from faculty about your major, listen in on a student life panel, and more. To register for a virtual visit, go to www.strose.edu/visit.

☐

7. SECURE YOUR FUTURE — MAKE A DEPOSIT

We know you'd be a great fit in our community — that's why we accepted you! To secure a seat for this fall, visit www.strose.edu/deposit and make it official.

8. GIVE YOURSELF A PAT ON THE BACK

Congratulations, you have enrolled at The College of Saint Rose! Do a dance! Give yourself a high five! Eat some ice cream! Celebrate! You deserve it. We can't wait to see you this fall.
