2023-2024 INDEPENDENT VERIFICATION WORKSHEET

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that, before awarding Federal Student Aid, we may ask you to confirm the information you (and your spouse, if you are married) reported on your FAFSA. To verify that you provided correct information, the Office for Financial Aid will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit these forms to the Office for Financial Aid. We may ask for additional information. If you have questions about verification, please contact us as soon as possible so that your financial aid will not be delayed.

Financial Aid cannot be disbursed until the verification process is complete.
