July 12, 2023

On behalf of the Neuro Services Program, we would like to invite your organization to set up a booth at the upcoming **12<sup>th</sup> Annual Moving Message Walk**. The walk will be held on Saturday, September 9, 2023, from 10:00-2:00 (set up at 8:30). The cost of reserving a booth is \$20.00.

Our goal continues to be two-fold. First, to raise awareness for communication difficulties that arise from brain injuries, stroke, and other neurologic conditions. Secondly, we will continue raising money for The *Moving Message* Fund, to financially assist those who need but cannot afford long-term speech therapy.

We expect attendance of more than 150 people.

We will provide a table in a sheltered area for you to set up. Booths are on a first come --first serve basis. We would be honored by your participation. In the past, booths have offered penny candy, interactive videos, pictures, and information as it relates to these individuals. Thank you very much for your anticipated participation.

Please contact Julie Hart at 518-485-3944 or [hartj\\_gw@strose.edu](mailto:hartj_gw@strose.edu) if you have additional questions and submit the attached form if you would like to reserve a space by September 7, 2022.

Sincerely yours,

The TBI Waiver and Neuro Services Program

The College of Saint Rose

## Booth Reservation Form 12<sup>th</sup> Annual Moving Message September 9, 2023 10:00-2:00 (set up at 8:30)

As you are aware, The Moving Message is a fundraising and awareness raising event. **The Moving Message Fund** has been developed in part due to a rising need in the community. Many individuals who have survived brain injury, stroke, and other neurologic events are left with a long-term need for speech therapy. Often their primary medical insurance covers short-term therapy but is not sufficient to provide the care that is needed. These individuals may not qualify for Medicaid and as a result must pay privately for services they require. That is not always possible. This fund has been established at The College of Saint Rose to help support those individuals.
